

Louise Nemerson LCSW

Endowed

Social Work Student Stipend

Jewish Family Service of Ventura County has established an Endowed Social Work Student Stipend to honor the life and work of our dear friend and colleague whose zest for life and commitment to humankind can best be memorized in the work she so loved. The stipend will allow a graduate social work student with demonstrated financial need and academic excellence to continue to serve the most fragile members of our community.

For more information or to support the tax deductible Louise Nemerson Endowed Social Work Student Stipend, contact Ventura County Jewish Family Service, 1915 E. Main St., Ventura, CA 93001 805-641-6565

donations should be made out to JFS and marked "Nemerson Endowment"

JFS serves all clients regardless of religion, creed, sexual orientation or country of origin
